Hi Sonja,

Sorry about that – I always write the lab #'s on my requests but they don't seem to come through on the other end.

I am going to be trying this case – hopefully the date is OK for you? It is a firm date and we will start on 9/19 (should be 2 days).

Lab #'s are:

Hi Karen-

I received your summons for the Aviles case scheduled for trial (or at least to go into the trial pool) on September 19th. I do not see the lab numbers listed on the summons, and when I looked him up in the database I only found his name for 2009, not 2011. Do you know what the lab numbers are? Thanks.
